

The Premium Collection

SP430R 4-Wide Combo

SP430R 4-Wide Combo

High Definition Vending

So brilliant, so efficient - LED lighting is standard in *The Premium Collection!* Highlight your product to it's best advantage and sell up to 12% more!

Save time and money! LED lighting lasts up to 50,000 hours for less waste, less trips to location and less power consumption.

Productivity

Change all your pricing, on all your machines, from your PC! *The Premium Collection* can make it happen with

the **Seaga Smart Card** and **Seaga Smartware** software.

Change prices, settings, prizes and more and upload instantly to your Seaga equipment! Bidirectional communication, too; diagnose and troubleshoot right from the data downloaded to the card!

Guaranteed Vend

- Improve Reliability
- Re-credits or refunds
- Consistent home position
- Sensor self-calibration
- Reduces service calls

Health Conscious

Today's healthy lifestyles are creating a demand for healthy vended items. Keep your customers safe and give them the variety they want. Vend milk,

yogurt and dairy products safely with *The Premium Collection*. Complete health and safety controls are included.

Increase Sales

Jackpot settings, meal deal combos and prize giveaways are available in *The Premium Collection!* These programs attract attention and increase sales!

The high variety, brilliant presence and flexibility of *The Premium Collection* will attract attention and sell through for you!
